RELEASE

Heart Conscious February will be host to the 1st Annual Physician Laboratory Services Starr County Community Health Fair

In the spirit of promoting awareness of the benefits of good health, Starr County Industrial Foundation (SCIF) member Physicians Laboratory Services (PLS) will be hosting their 1st Annual Starr County Community Health Fair. The following screenings will be performed on site and free of charge to the public: cholesterol, hearing, blood pressure and glucose. There will also be nutritional counseling available for those interested. We encourage you to invite your clients, customers, friends and family to take advantage of this opportunity. The event will include a variety of fun activities for children and adults.

If you would like to participate as a sponsor, attached is a sponsorship form for your review, as well as a list of current sponsors. The deadline for submission is Friday, February 4.
